

§ 40.404

27 CFR Ch. I (4–1–02 Edition)

§ 40.404 Amount of bond.

The amount of the bond of a manufacturer of cigarette papers and tubes shall be not less than the maximum amount of the tax liability on the cigarette papers and tubes manufactured in the factory, received without payment of tax from other factories, and released without payment of tax from customs custody as provided in § 40.452, during any month. In the case of a manufacturer commencing business, the production, receipts from other factories, and releases from customs custody, without payment of tax, shall be estimated for the purpose of this section. The amount of any such bond (or the total amount where strengthening bonds are filed) shall not exceed \$20,000, nor be less than \$1,000.

(72 Stat. 1421; 26 U.S.C. 5711)

§ 40.405 Strengthening bond.

Where the regional director (compliance) determines that the amount of the bond, under which a manufacturer of cigarette papers and tubes is currently carrying on such business, no longer adequately protects the revenue, the regional director (compliance) may require the manufacturer to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of § 40.404. The regional director (compliance) shall refuse to approve any strengthening bond where any notation is made thereon which is intended or which may be construed as a release of any former bond, or as limiting the amount of either bond to less than its full amount.

(72 Stat. 1421; 26 U.S.C. 5711)

§ 40.406 Superseding bond.

A manufacturer of cigarette papers and tubes shall file a new bond to supersede the current bond immediately when:

(a) The corporate surety on the current bond becomes insolvent,

(b) The regional director (compliance) approves a request from the surety of the current bond to terminate liability under the bond,

(c) Payment of any liability under a bond is made by the surety thereon, or

(d) The regional director (compliance) considers such a superseding bond necessary for the protection of the revenue.

(72 Stat. 1421; 26 U.S.C. 5711)

§ 40.407 Extension of coverage of bond.

An extension of the coverage of bond filed under this subpart shall be manifested on ATF Form 2105 (5000.7), Extension of Coverage of Bond, by the manufacturer of cigarette papers and tubes and by the surety on the bond with the same formality and proof of authority as required for the execution of the bond.

(72 Stat. 1421; 26 U.S.C. 5711)

§ 40.408 Approval of bond and extension of coverage of bond.

No person shall commence operations under any bond, nor extend operations, until such person receives from the regional director (compliance) notice of approval of the bond or an appropriate extension of coverage of the bond required under this subpart. Upon receipt of an approved bond or extension of coverage of bond from the regional director (compliance), such bond or extension of coverage of bond shall be retained by the manufacturer of cigarette papers and tubes in factory and shall be made available for inspection by any ATF officer upon request.

(72 Stat. 1421; 26 U.S.C. 5711)

§ 40.409 Termination of liability of surety under bond.

The liability of a surety on any bond required by this subpart shall be terminated only as to operations on and after the effective date of a superseding bond, or the date of approval of the discontinuance of operations by the manufacturer of cigarette papers and tubes, or otherwise in accordance with the termination provisions of the bond. The surety shall remain bound in respect of any liability for unpaid taxes, penalties and interest, not in excess of the amount of the bond, incurred by the manufacturer while the bond is in force.
